INTRODUCING THE ALL NEW...

Beava.Tub[®]

With the **Beava.Tub**, cleaning tile adhesive and levellers out of your bucket has never been easier!

Simply let your adhesive dry, turn your **Beava.Tub** upside down and because the **Beava.Tub** is made from nonstick materials all your excess adhesive will just fall out. Leaving your bucket perfectly clean with no need for water, **it's that effective!**

The **Beava.Tub** is flexible and hardwearing so it can be used time and time again, unlike traditional buckets saving you both time and money!

Features:

- ✓ Made from Nonstick Materials
- ✓ No Need for Water
- ✓ Flexible and Hardwearing
- ✓ Unbreakable
- ✓ Time Saving

Available Sizes:
8 Litre / 14 Litre / 18 Litre
